Dear Mr. Thomas:

Please feel free to use any one of the following quotes as an endorsement of ProGrass. If you need any further information, please let me know.

"ProGrass must mean Wow! The players say it when they take the field, the fans and recruits say it when they see the field, and we say it every time we work with the ProGrass staff. First our football field, then our baseball field and each time, we worked with professional, courteous, and helpful ProGrass team members."

"When we installed ProGrass on our football field in 2008, we were very impressed with the ProGrass team. They were professional, courteous and helpful at every turn. When they did our baseball field a year later, they showed once again their team's tradition of customer service."

"The planning and installation of the football was painless. The ProGrass team was professional, courteous and helpful at every stage of the job. And the end product sure produces the "wow" factor we were looking for. Fans love the way it looks every game, recruits are awed by it and our players just love the way it plays. A year later, we installed ProGrass at baseball and got the same reaction from fans, recruits and players. It shows our commitment to play at the highest level of collegiate athletics."

Warmest Personal Regards,

Scott A. Farmer  
Sr. Associate Director of Athletics
